

VCA Membership Report

By: Randy Churchill

Each year a membership drive occurs during March and April, leading to the VCA annual meeting. Due to Covid, the meeting was postponed and membership renewals became a challenge. Despite this set back, membership to date is 124, with 14 new members! With approximately 260 homes in The Village, our goal was to attain 50% membership. There will be a membership drive next March/April, and the annual goal is very attainable.
