

VCA Social Committee Summary 2020

Activity	Successes
<p>The Village Rocks in June!</p> <p>The VCA Social Committee was itching to reach out and touch someone – but gently and from a distance of course! The committee prepared little words of inspiration on painted rocks and placed them on doorsteps throughout our Village community.</p>	<p>It was the intent of the social committee to make neighbours feel special when they found this joyful little gift delivered to their front porch. All hand painted and supplied to 300 homes.</p>
<p>Canada Day Porch Decorating Contest</p> <p>The Social Committee invited the community to dig out decorations, use creativity, and show what Canada means to them. All were encouraged to be artistic, funny, original, historical, gaudy anything goes ... as long as it represented Canada in some way.</p> <p>On Wednesday, July 1 @ 5:00 p.m. the Judges' Parade began, marshalled by President Mona Babin and Communication Director, Sue Henry. Their patriotic golf cart was followed by other members of the executive and the social committee who were riding on decorated bicycles. Much merriment was happening throughout the Village.</p>	<p>This special Canada Day event showed the Village has some very creative folks, as the display of amusing Canada Day decorations and presentations by our neighbours was awesome. It also revealed that some people are pretty competitive when there are prizes to be had!</p>
<p>2nd Annual VCA Golf Day</p> <p>On Wednesday, September 9, 2020 @ Niagara-on-the-Lake Golf Course (with some stage 3 COVID-19 modifications) the VCA held a fabulous golf day!</p> <p>17 teams hit the links starting at 1 pm and the final group finished about 5 pm. Then followed the putting finals and the chipping contest to determine the winners – cheered on with an enthusiastic audience at the 9th hole. Final numbers were calculated and the winners determined.</p>	<p>Even if you were not on the winning team it was still a wonderful day of golf and friendship followed by a tasty BBQ dinner held under the trees next to the 9th green. 87 people enjoyed the chance to chat and reminisce about the past summer</p>

During 2021, the following **proposed** events will be organized by the social committee, pending government regulations regarding the COVID pandemic. Stay tuned to the VCA Newsletter for further information.
